Subject: Draft Bristol Bay Presentation for Review

All –

After the ORC/OGC call today, I revised the proposed presentation. This presentation is now for David Schnare, Justin Schwab, and Layne Bangerter. It has not yet been scheduled.

I have incorporated the prior outline into the notes of the presentation so that we are working off of one document.

At the moment, here is the plan for the slides:

- David Allnutt: slides 1-3
- Jeff Frithsen: slides 5-9

- David Allnutt: slides 10-17
- Ashley Palomaki: slides 18-29
- David Allnutt: 30

This presentation was based off of the presentation that Palmer did last week for Layne. It has the same background information on the BBWA and the PD. We have added more information about legal authority and the litigation, concluding with the **Ex. 5 - Attorney Client** and options for next steps with the litigation. I've just removed page numbers from the slides for now and will add them back once this is finalized.

We are planning on an hour long briefing. There is a lot of material to cover.

If you have comments or questions, please send them to me by 1pm eastern so that I can incorporate changes before the pre-briefing for Michelle and Dan. We are debating whether to do a full dry-run with Michelle or do an abbreviated version so that there is space for discussion. We have asked Michelle for her feedback, but if you have a strong preference, please let me know.

Thank you for reviewing!
